THE LION

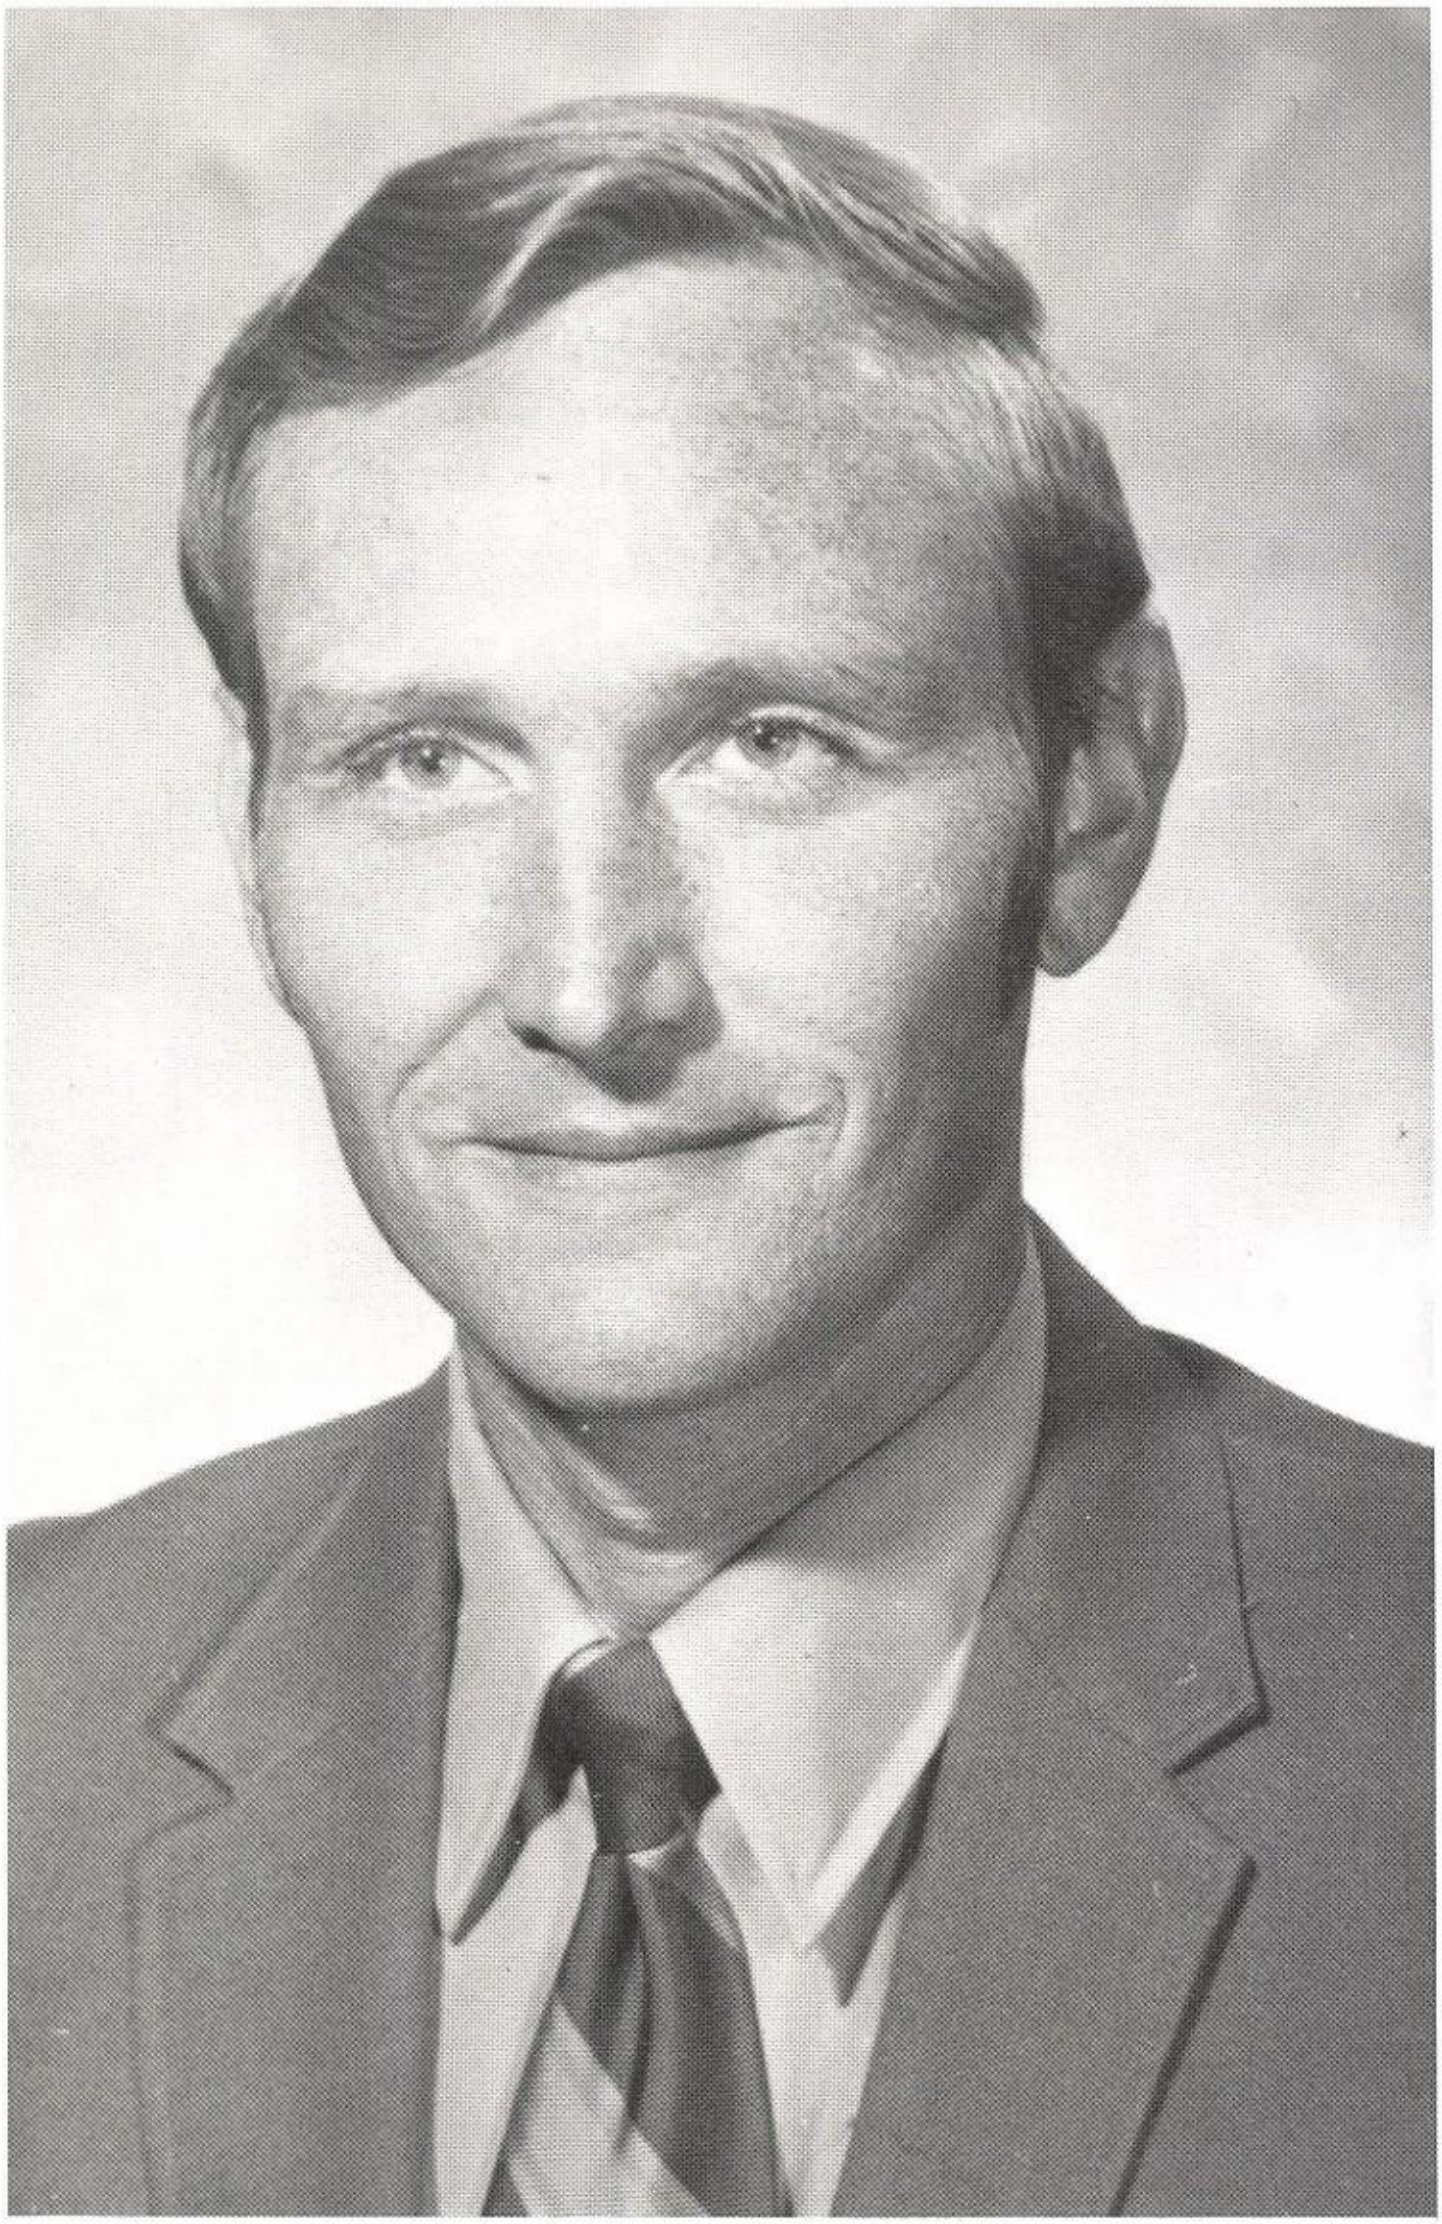
1972

McKinney High School

McKinney, Texas

Dedication



Gary L. Losh

To: MR. GARY LEE LOSH

Subject: Why We Love You

Because you are a teacher from whom we can truly learn,

Because you are a friend to all,

Because you have raised the musical standards of McKinney High,

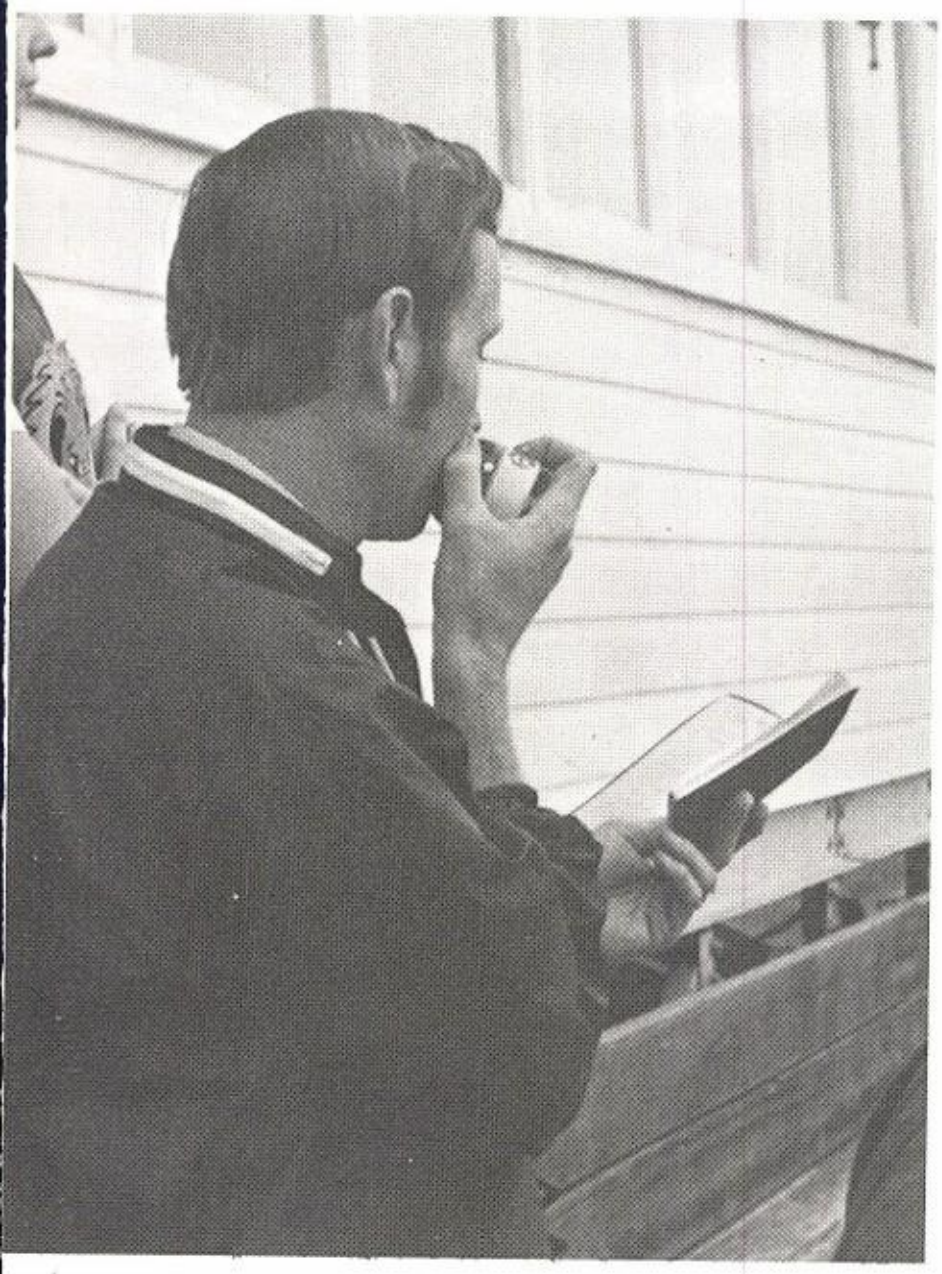
Because you have made a once fourth and fifth division band into one rated first and second division,

Because you respect us, we respect you,

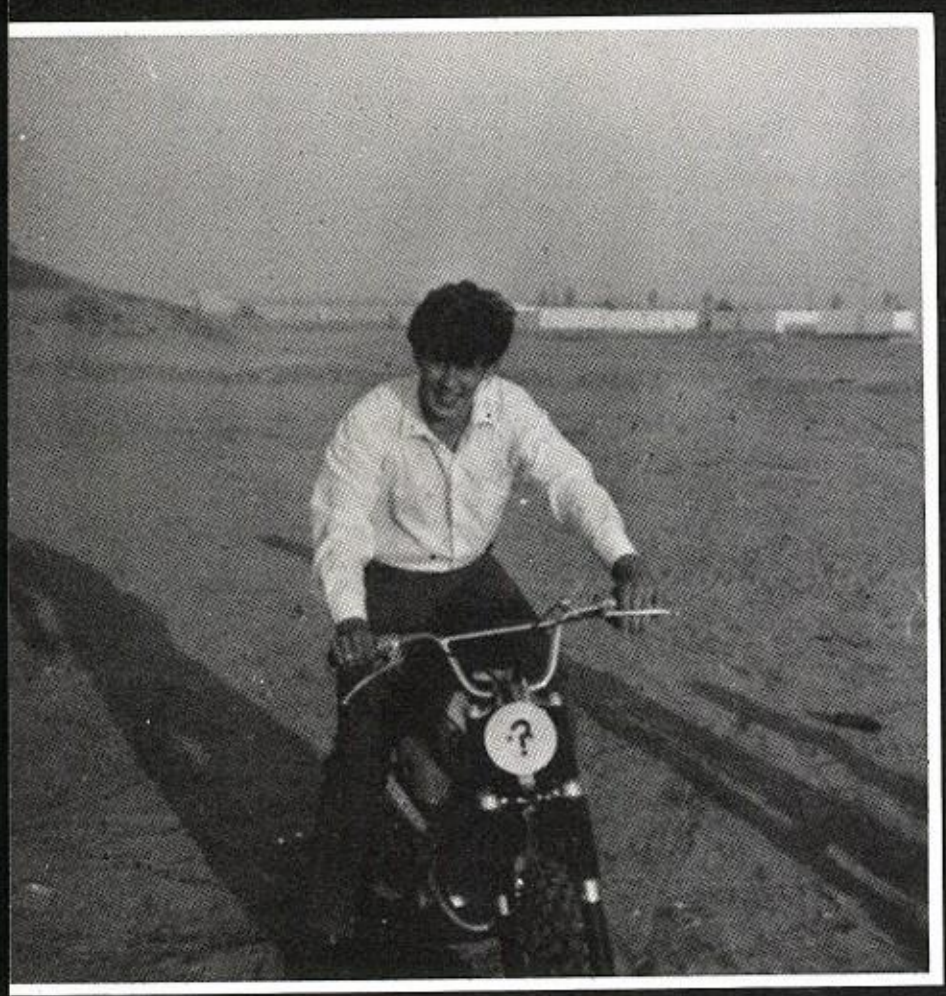
Because you give up time of your own to help us,

Because you love us, we love you.

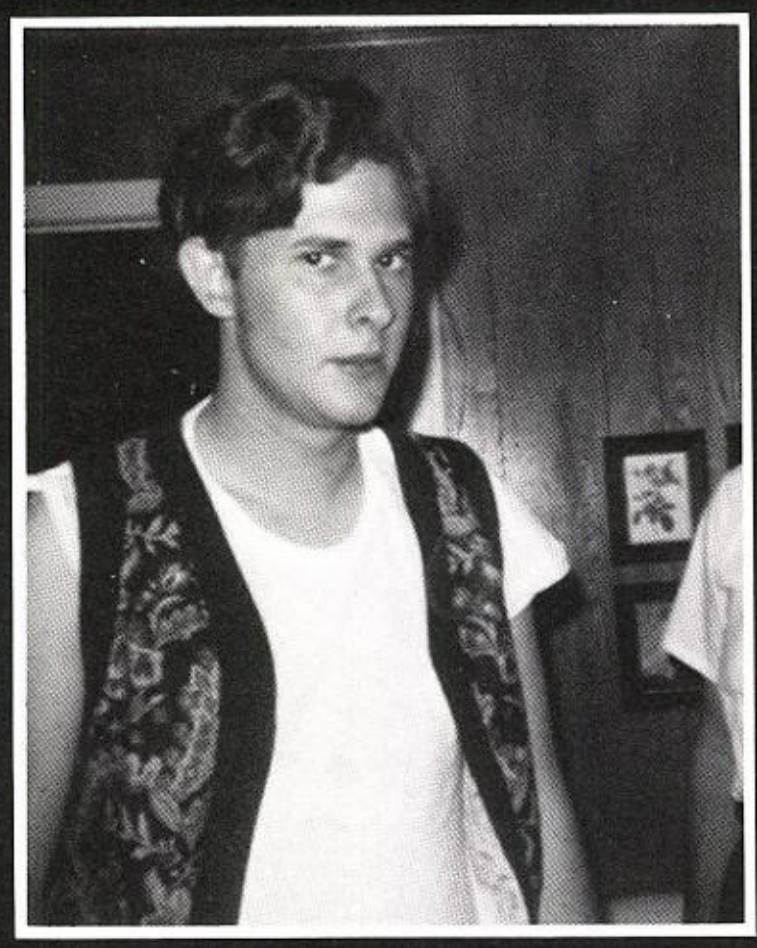
For these reasons, Mr. Losh, we of the 1972 LION staff respectfully and gleefully dedicate the 1972 LION to you.

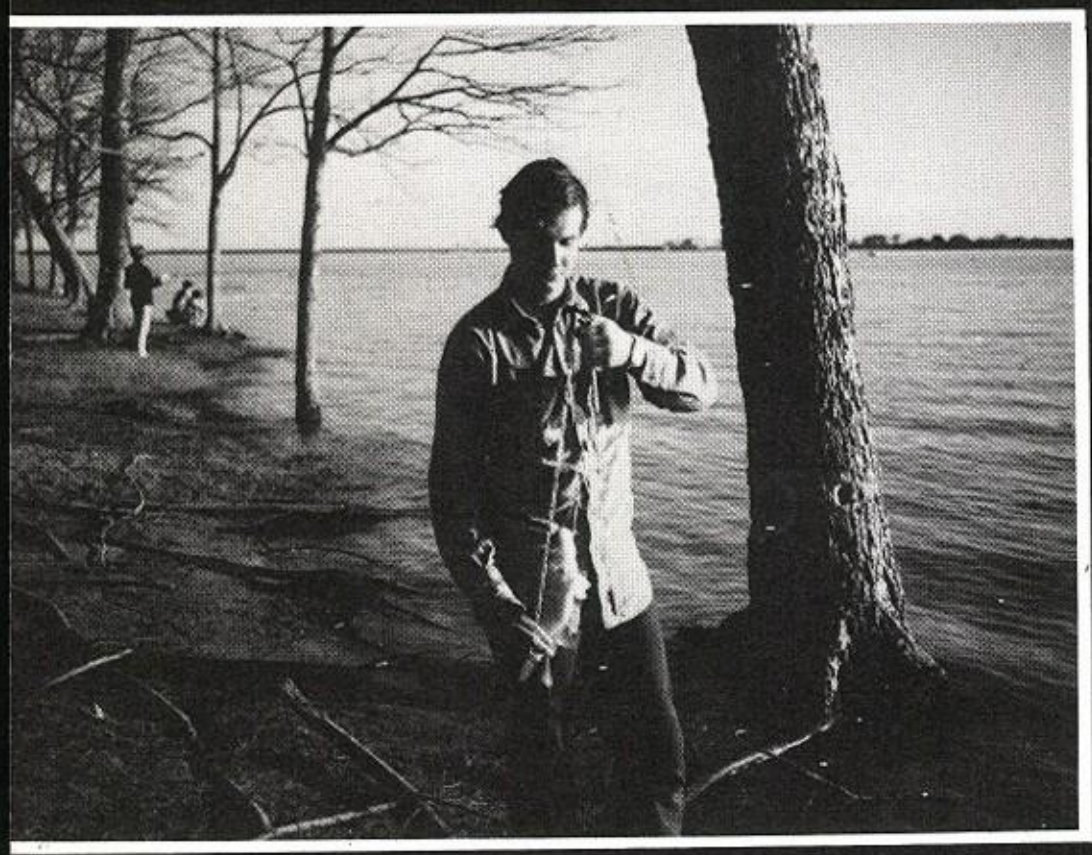


In Memory

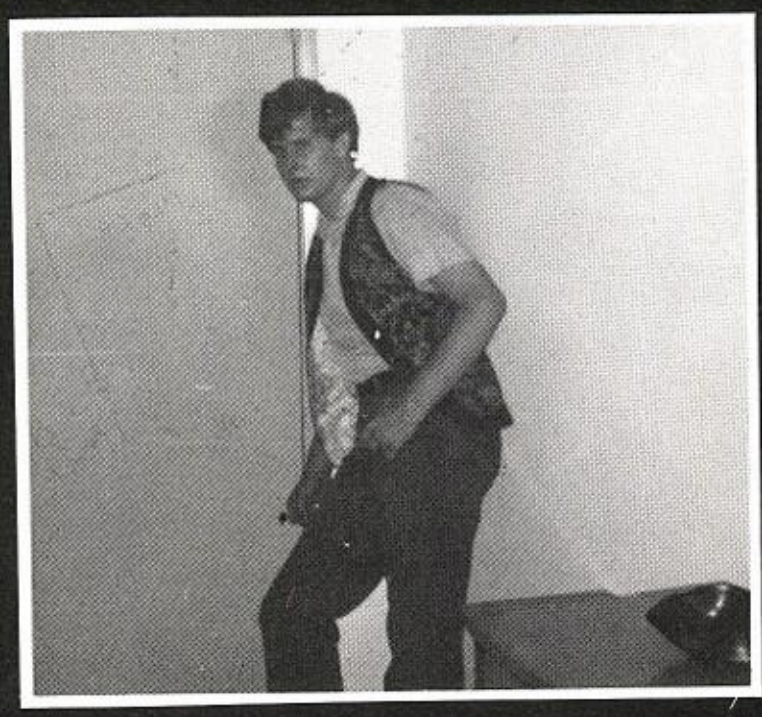


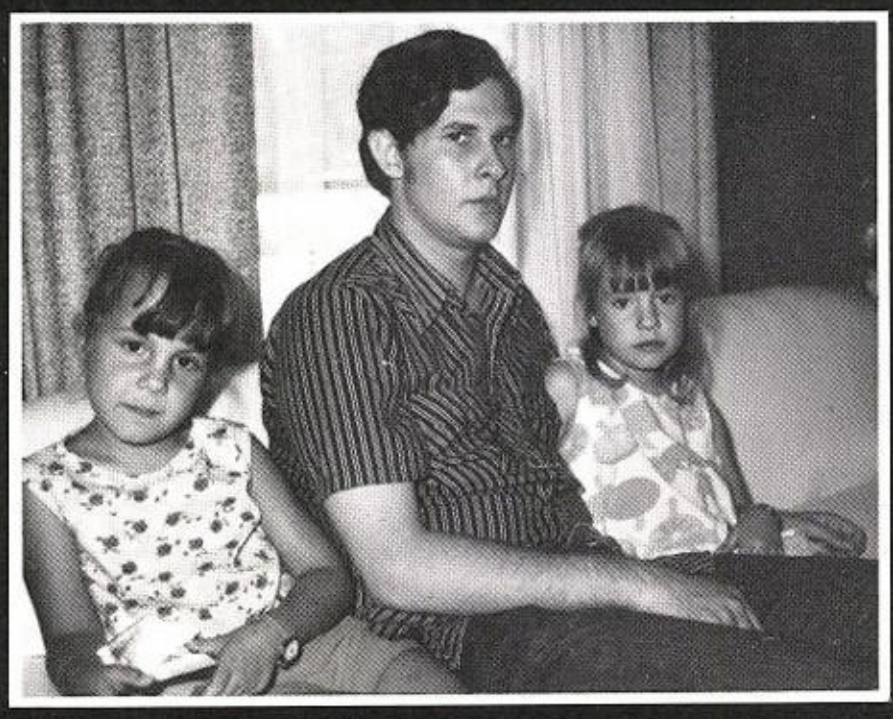
High school, like any other part of life, contains both comedy and tragedy. For all of us who knew Rodney Barnes this year has contained the tragedy of death. To know Rodney was to love him. What more can be said about such a wonderful friend?





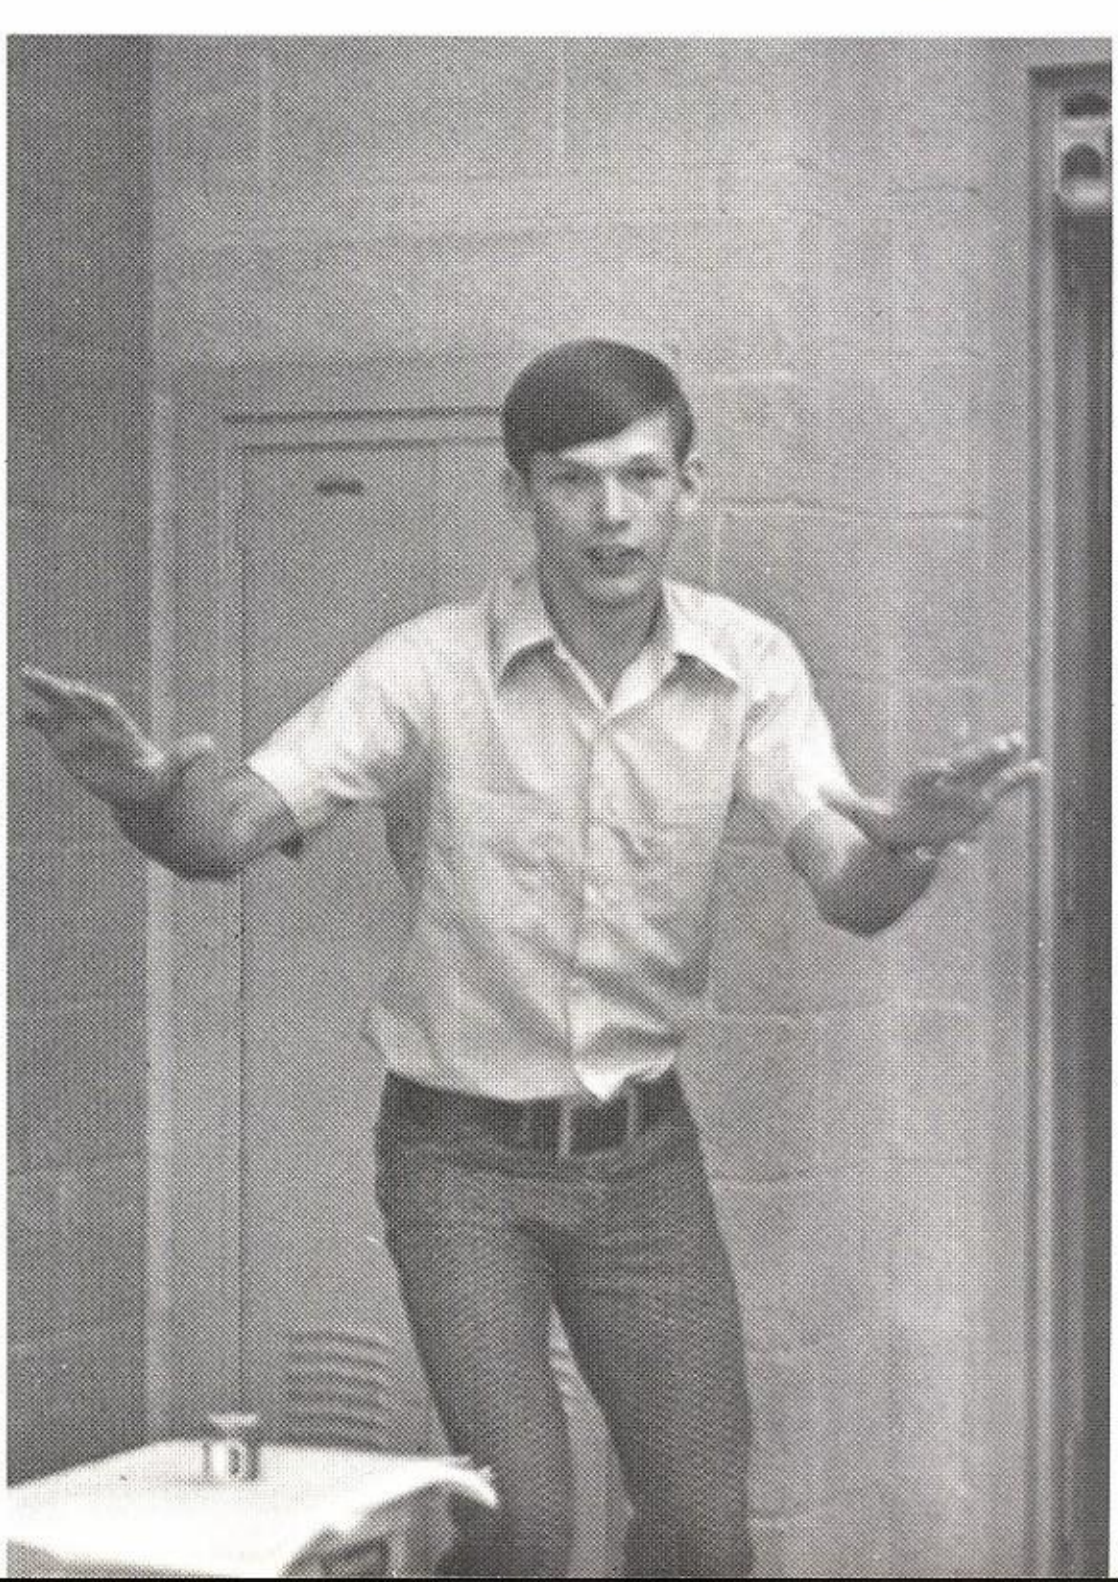
Rodney Barnes



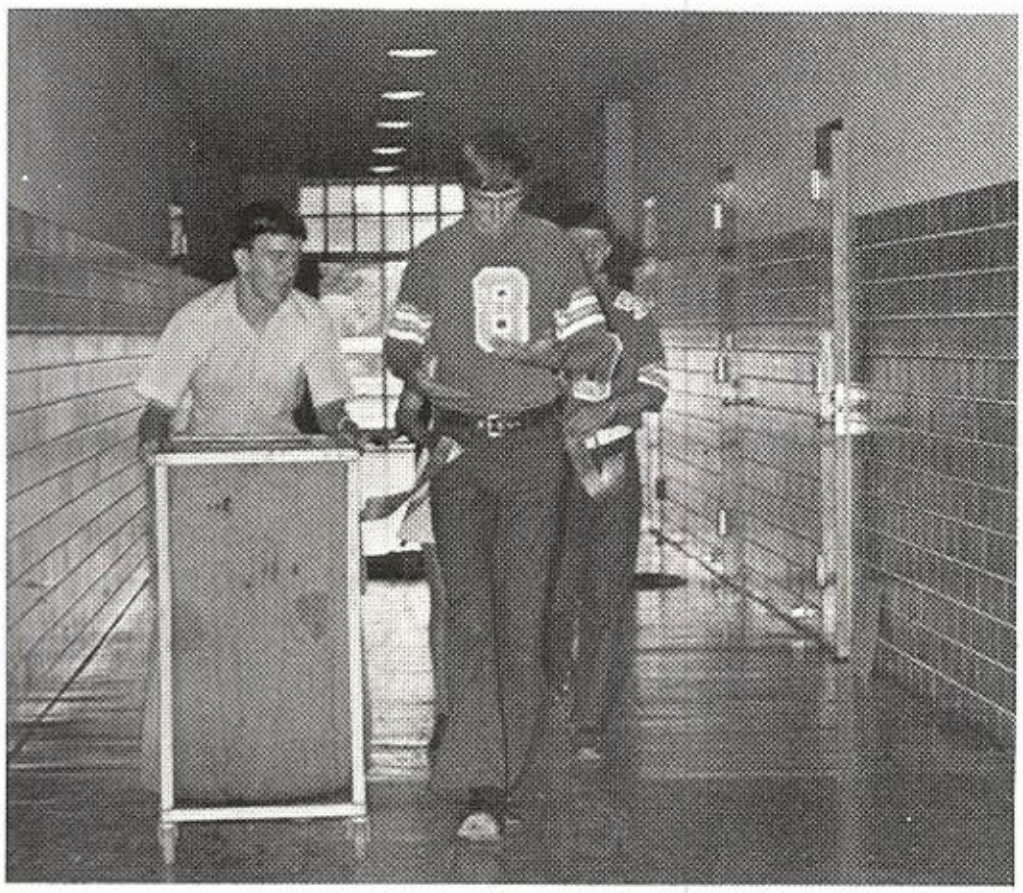


"To me it seems as if when God
Conceived the world that was poetry;
He formed it and that was sculpture;
He varied it and colored it and that
Was painting; and then crowning it all,
He peopled it with living beings and
That was the grand, divine eternal drama."

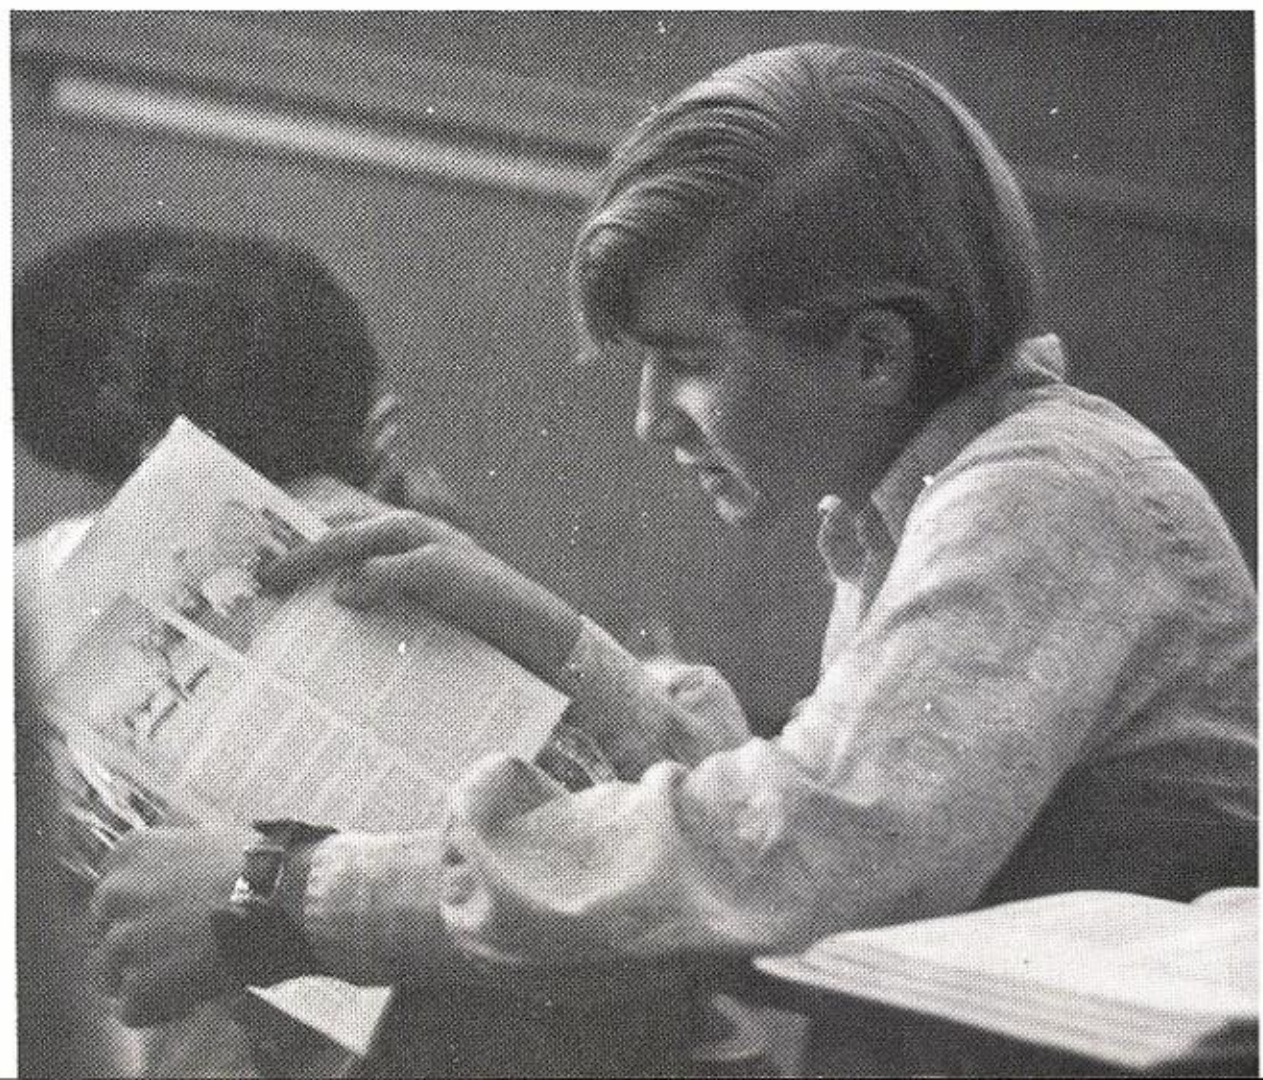
- Charlotte Cushman

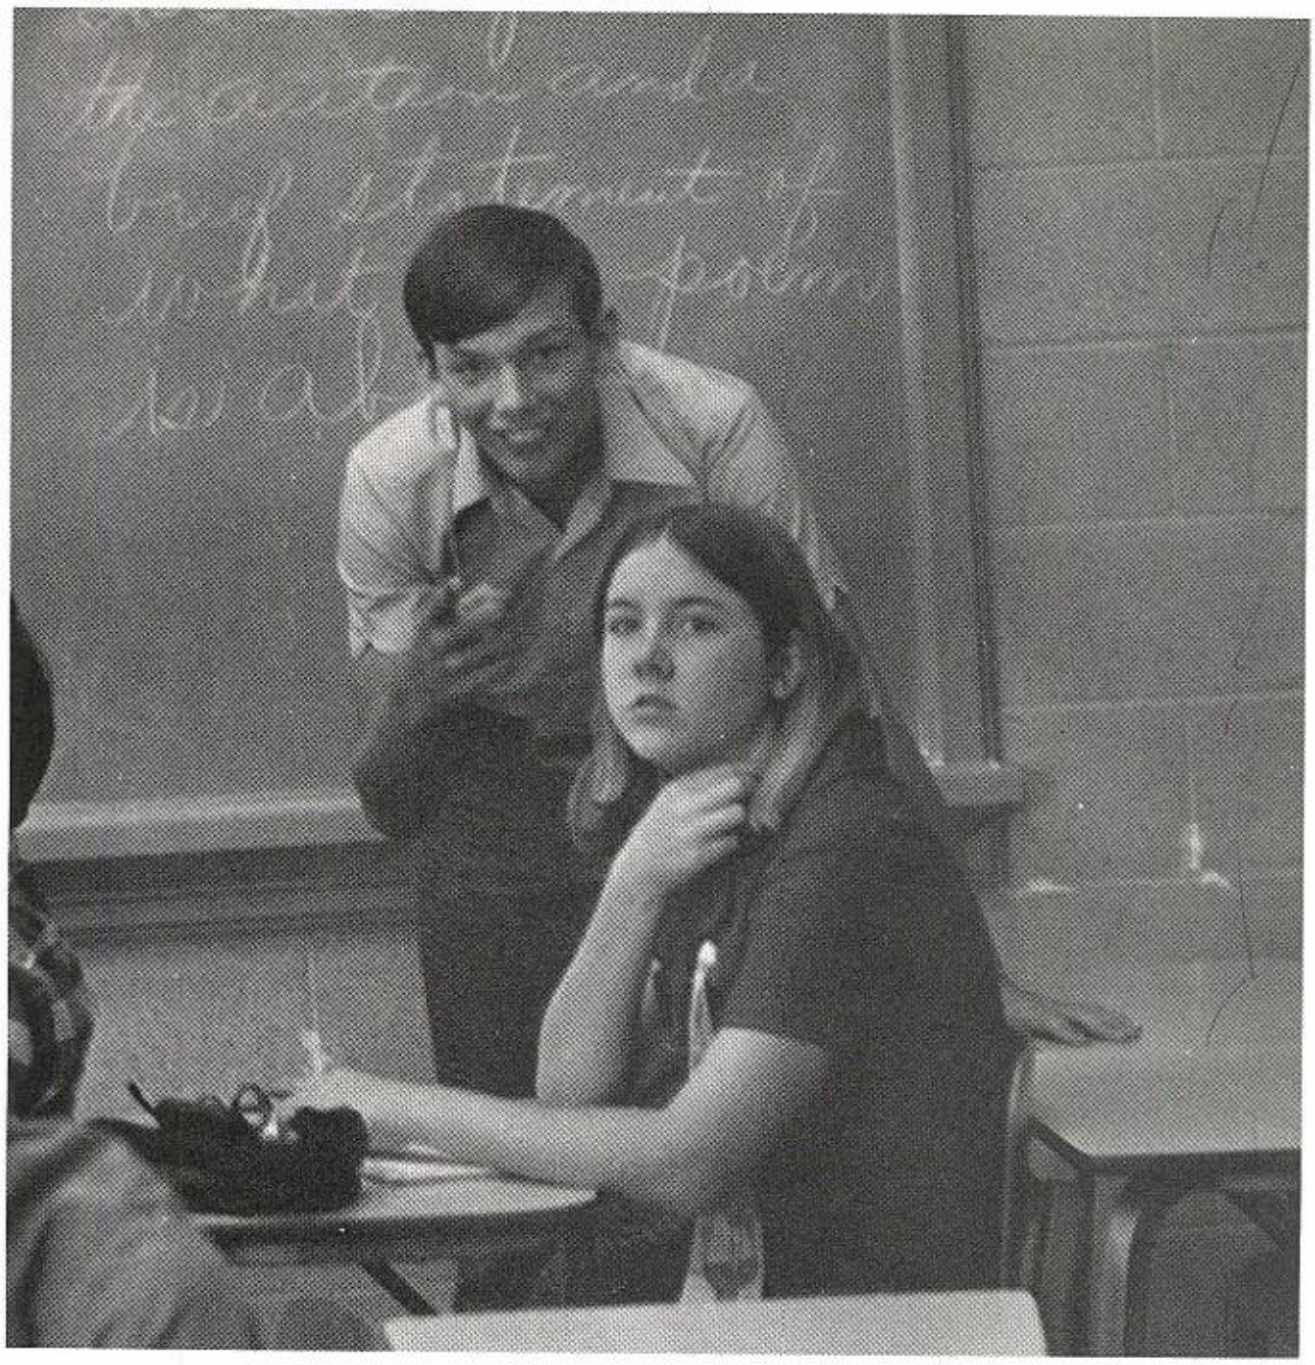


William Shakespeare said, "All the world's a stage."

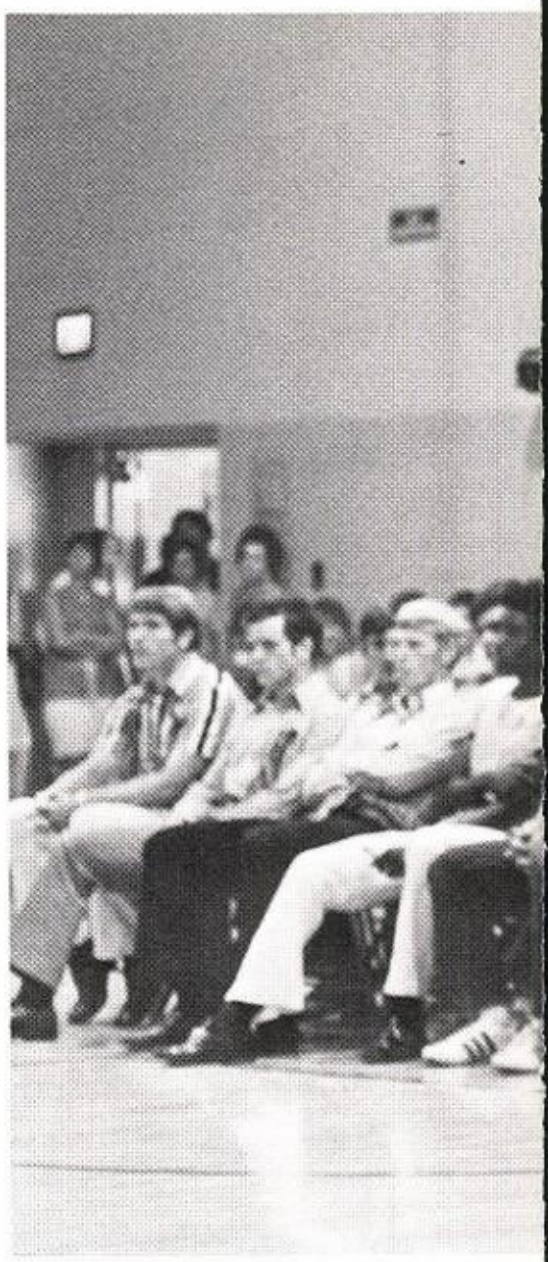


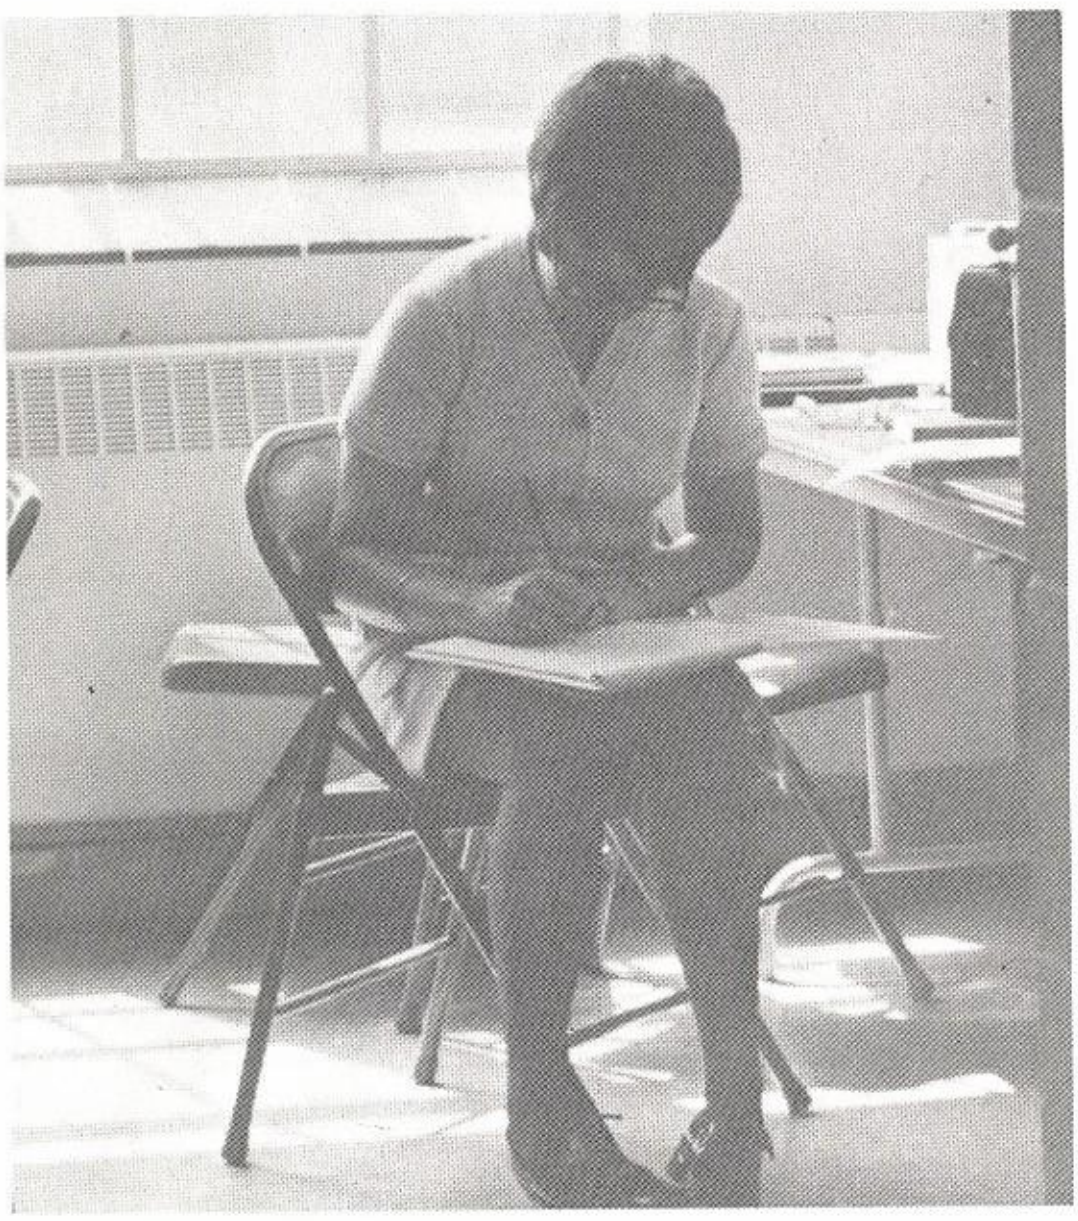
In our life here at MHS we are the actors on a stage. Our lives are a play which lasts four years.

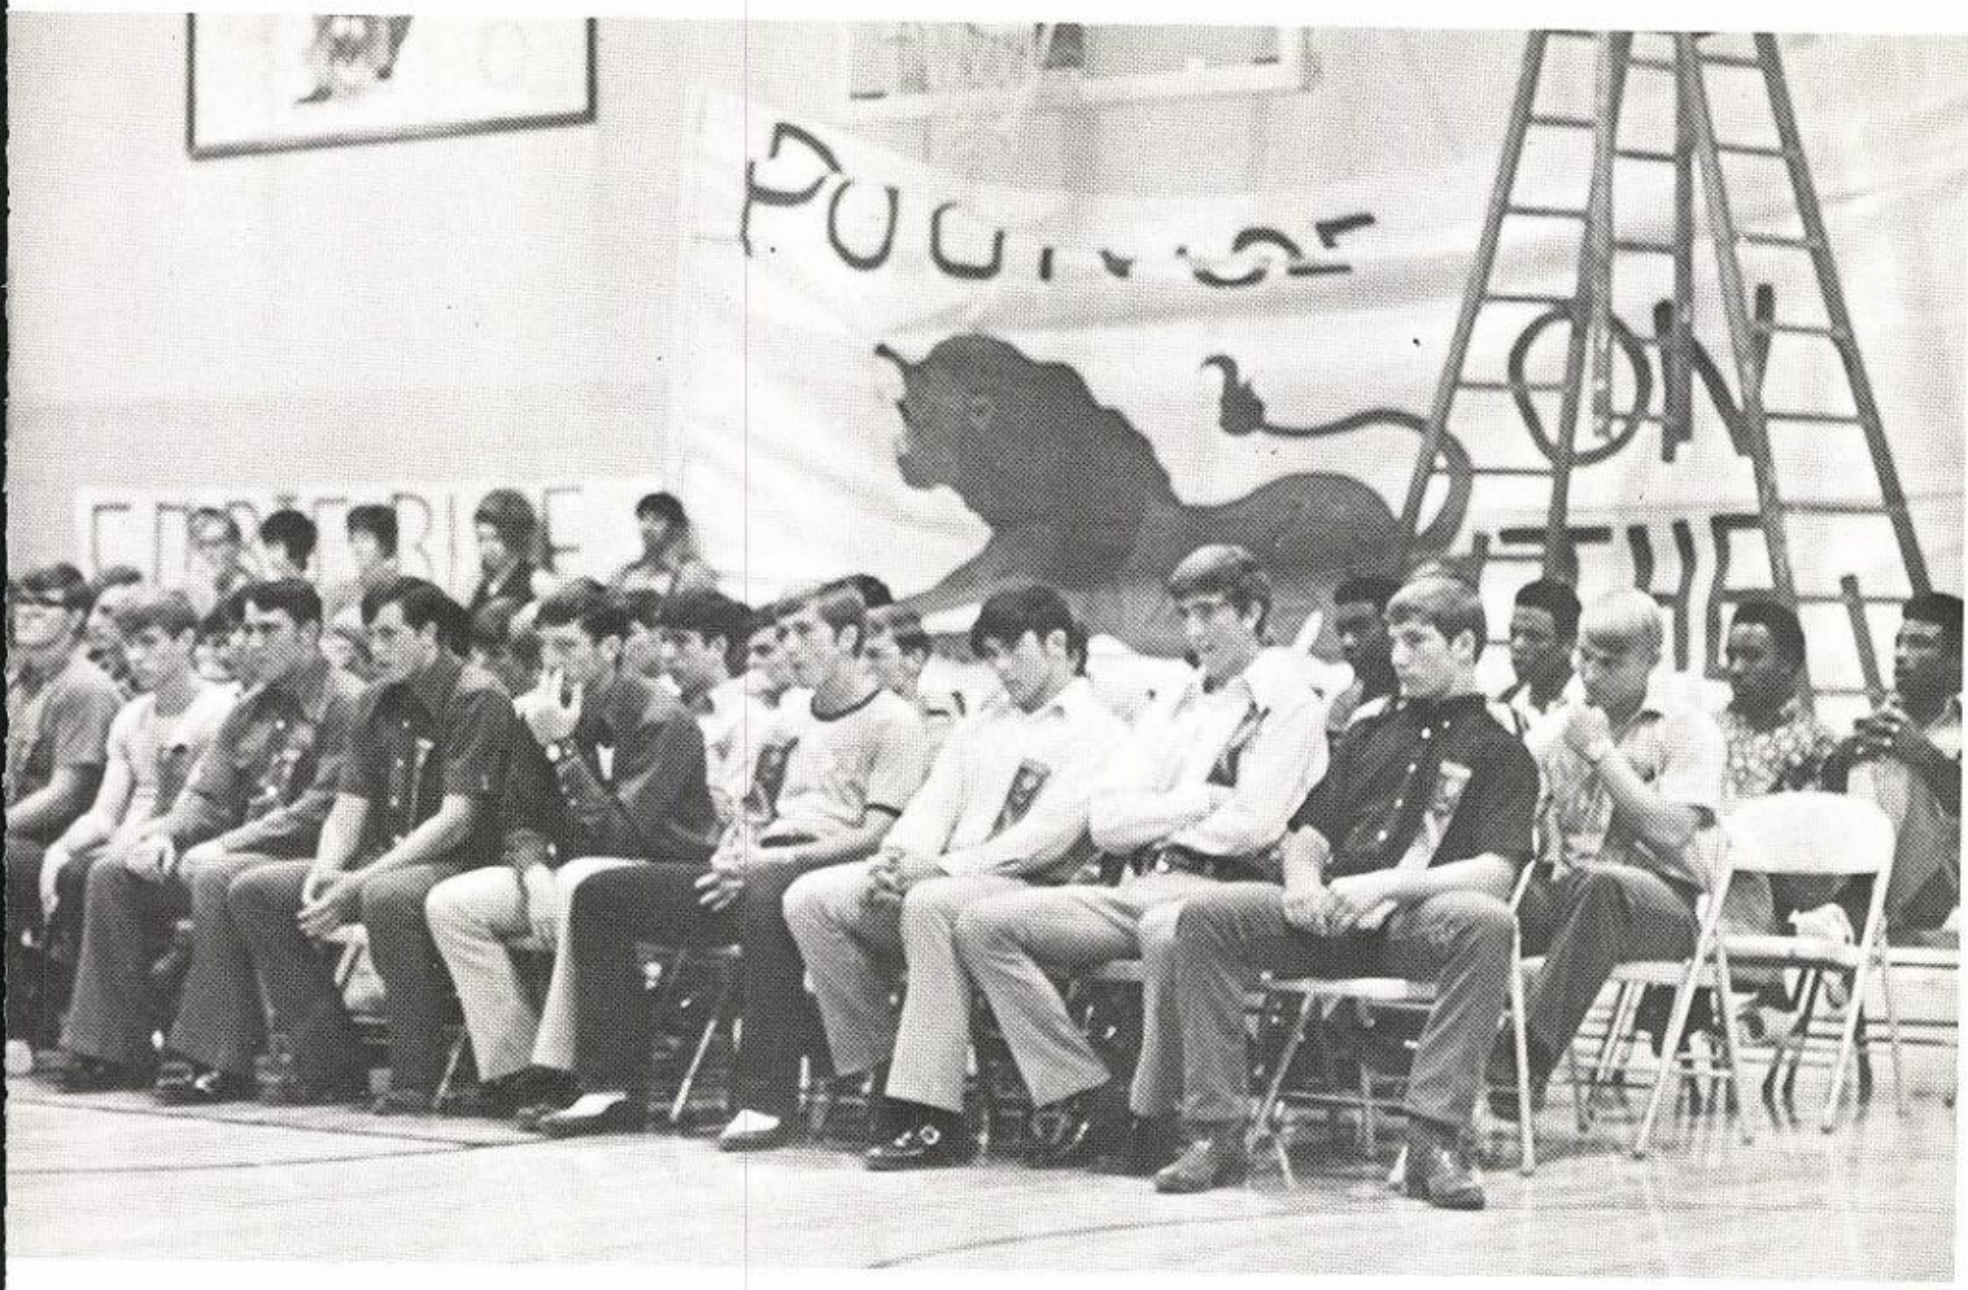


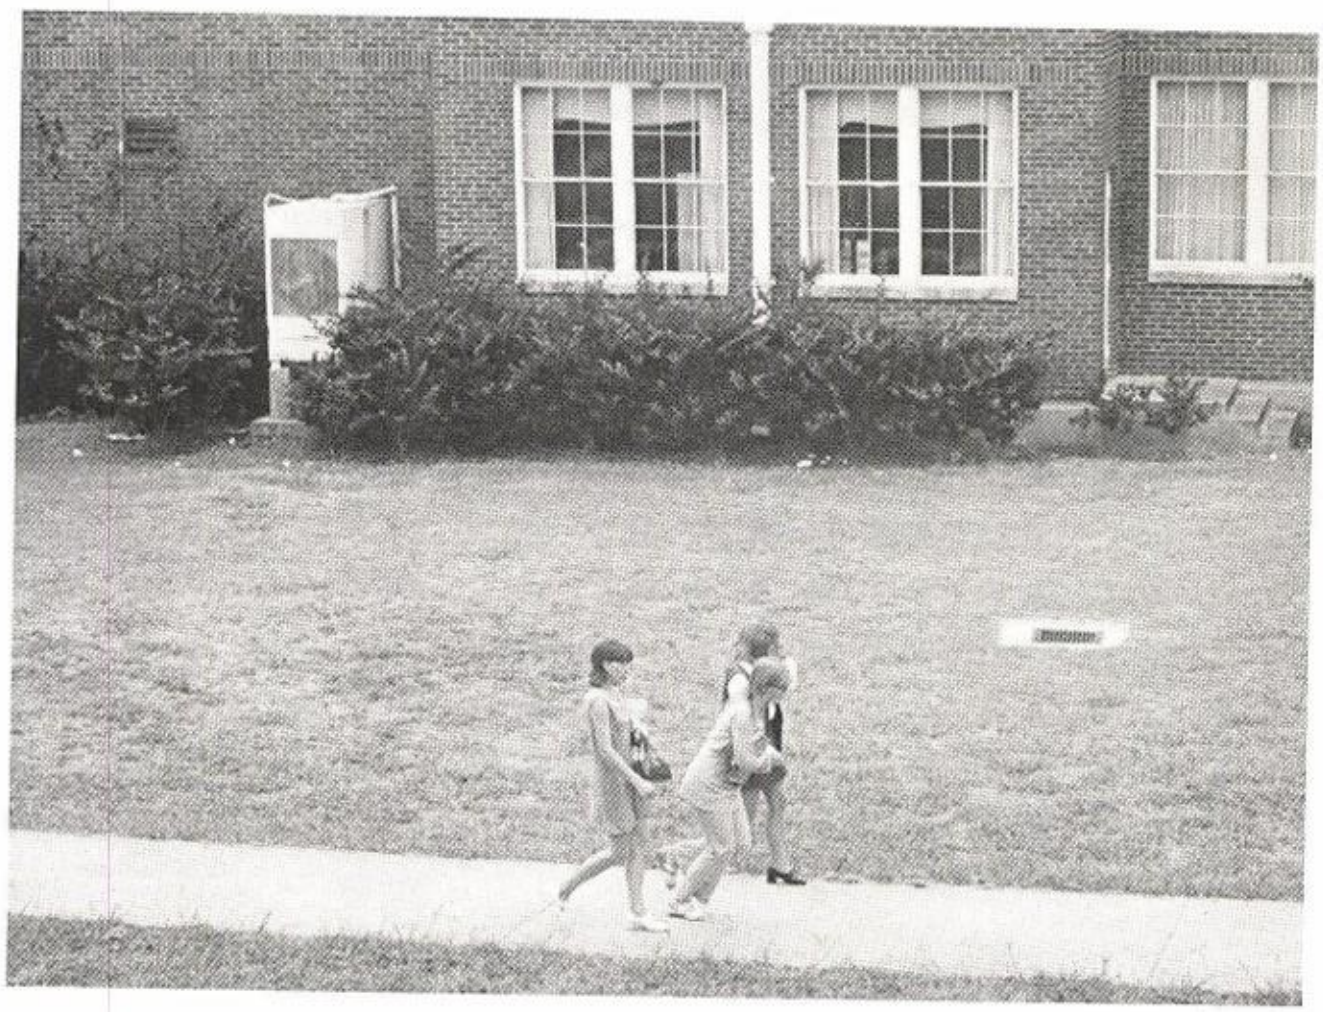


These four years seem long to us now, but when we consider that these years are only a part of the life-long eternal drama, we realize that this is only one act of the great play of life.









For the class of '75, August was Act I, Scene 1.

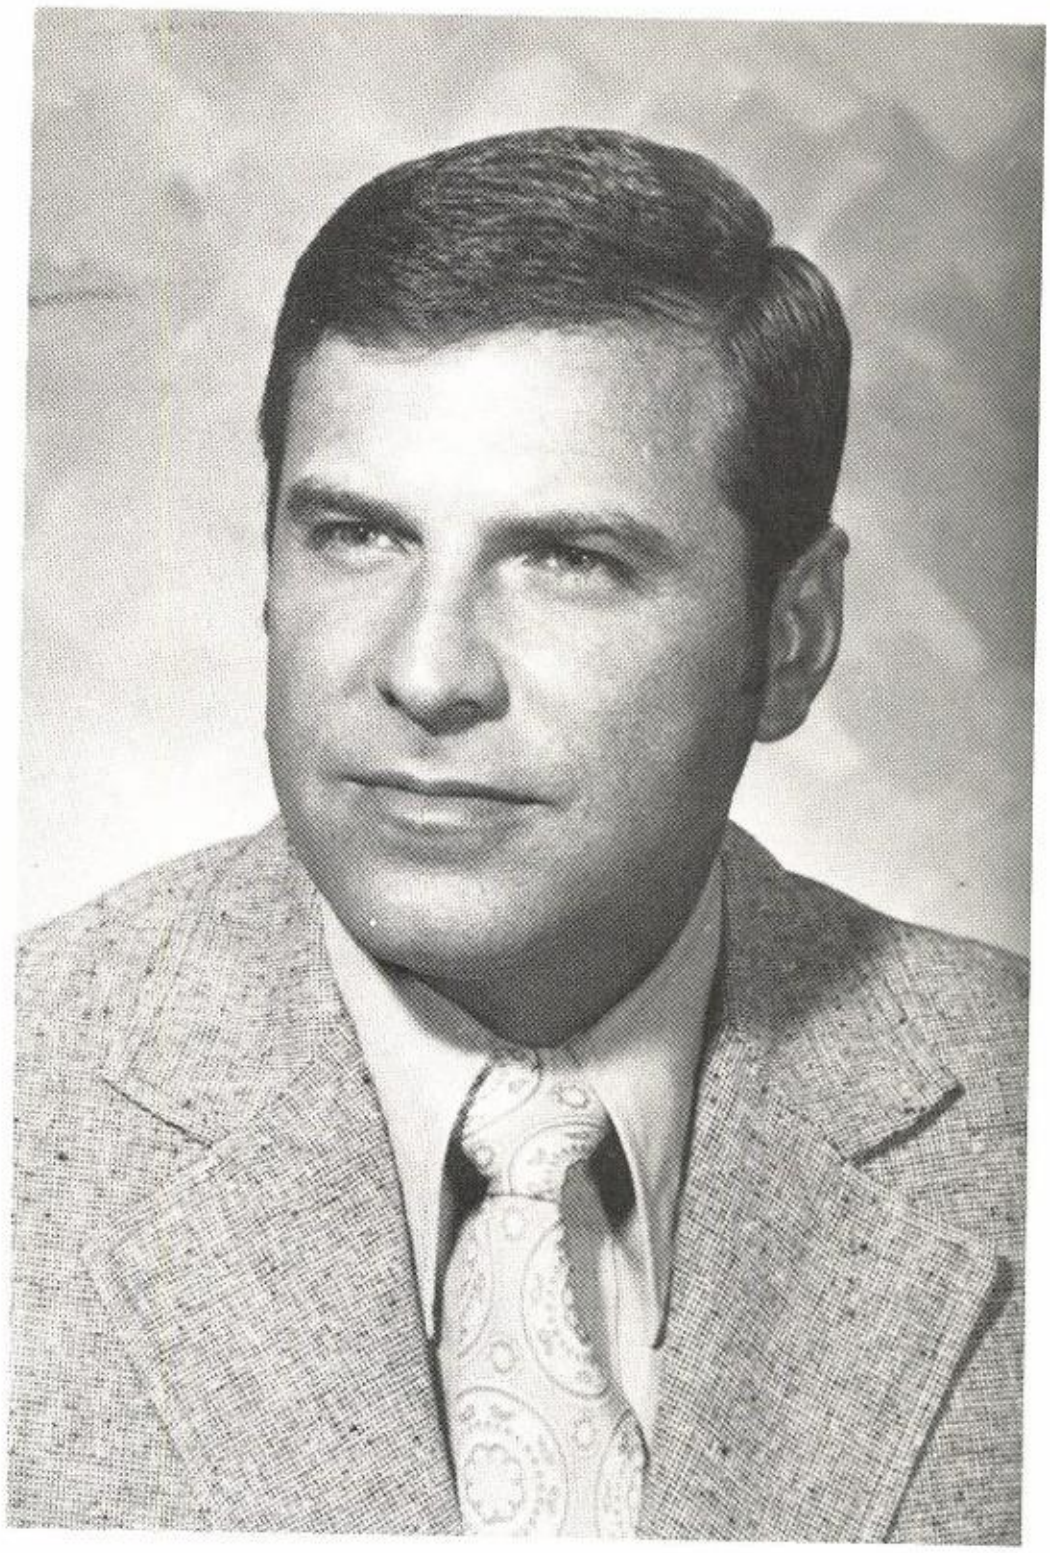
MHS Principal Eugene Helton



Never before have people been faced with such drastic social and economic adjustments as today. We must prepare ourselves for these adjustments and if we are to stay in step with these changes, we must have as many tools of learning as we can get.

It is our desire and purpose to help, train, and encourage our students to achieve the knowledge they must acquire to make a place for themselves in society now and in the future.

I, personally, am proud of our student body and believe without a doubt that each and every one of them will strive to reach the goals they desire and have a life of success.

ADVISOR: Mrs. Rae Ann Warden

This yearbook is to give you - MHS students - a grasp of the memories of the past year. As students you have clung together like a dandelion in spirit, enthusiasm, and all school activities, but as this year comes to a close, you - as MHS students - will scatter as a dandelion scatters in the wind. So that your memories of MHS will not be scattered, the 1972 Lion is finished and closes in your hands.
